Certificate of conformity of the factory production control

Tested by: MPA, Karlsruhe

Certificate of conformity of the factory production control

0754 – CPR – 15-0399

In compliance with Regulation 305/2011/EU of the European Parliament and of the Council of 9 March 2011 (the Construction Products Regulation or CPR), this certificate applies to the construction product

Products and systems for the protection and repair of concrete structures

Concrete injection

produced by or for

Max Frank GmbH & Co. KG
Mitterweg 1, 94339 Leiblfing

and produced in the manufacturing plant

MF Süd

This certificate attests that all provisions concerning the assessment and verification of conformity of the factory production control described in Annex ZA of the standard

EN 1504-5:2013

under system 2+ for the performances set out in this certificate are applied and that the factory production control fulfils all the prescribed requirements for these performances.

This certificate replaces certificate with the number 0754 – CPD – 11-0593, issued on 2011-09-23 and will remain valid as long as the test methods and/or factory production control requirements included in the harmonised standard, used to assess the performance of the declared essential characteristics, do not change, and the construction product, and the manufacturing conditions in the plant are not modified significantly, unless suspended or withdrawn by the notified factory production control certification body.

Karlsruhe, 2015-12-15
